The Conference will be broken down into four main themes

**Section 1. Financial and Credit Systems.**

**Section 2. Global Economy and International Business.**

**Section 3. Digital Technologies in the Management of Socio-Economic Systems.**

**Section 4. Innovation in Management.**

### **INFORMATION FOR PARTICIPANTS:**

**The deadline for conference material is 15<sup>th</sup> October 2020!**

1. The manuscript should be submitted in electronic form and is uploaded to the conference website via the online registration form.
2. The volume of the article should not exceed 10 typewritten pages of A4.
3. Abstracts of the conference participants in Russian will be published in the Russian Science Citation Index (RSCI) database. It is planned to publish selected conference materials in English in a volume of conference proceedings indexed in the Web of Science (WoS) database.
4. The authors of scientific papers, applying to the selected conference materials volume, must submit their articles in English. If, after the peer review process, a decision to publish an article is made, an additional fee for editorial and publishing services may be required. This will not exceed 10,000 rubles. Payment information will be supplied to the participant after reviewing the article.

### **Format Requirements to the conference abstracts (RSCI)**

Scientific articles submitted for publication must fully comply with the themes of the conference, should reflect the results of research conducted by the authors personally, have originality, relevance and scientific novelty, and should be written in good English and meet the format standards.

Articles should have the following basic elements:

- a statement of the problem in general terms and its relationship with important scientific and practical tasks;
- an analysis of recent achievements and publications in which the solution to this problem was addressed, and the allocation of previously unresolved parts of the general problem, with which the article is concerned;
- a clear formulation of objectives and tasks;

- a presentation of the main research material with a complete justification of the obtained scientific results, and a formulation of recommendations;
- conclusions on this study and prospects for further development of this area.

The number of authors for a single paper cannot exceed **four** people.

Drafting standards describe text font size, margins, text alignment on a page, indentation width, and line spacing.

The text should be typed in Microsoft Word 2003, font Times New Roman, page parameters: all margins – 20 mm, paragraph – 1.25, font size 12, spacing – 1.

Article title - centered, font size 12, bold

Empty line – 12 font size

Full name of the author: center alignment (if several, then separated by comma) – font size 12, bold

Name of organization, city, country: center alignment (if several, then separated by comma) – font size 12

Abstract: width alignment, font size 12, italics

Keywords: width alignment, font size 12, italics (no more than 10)

Empty line – font size 12

Text of the article – width alignment, font size 12

References – center alignment, in capital letters, font size 12, bold

If the article does not comply with the standards described above, it will be sent for revision with recommendations for correction.

As soon as the article is reviewed and recommended for publication, the author will receive a message about the acceptance of the manuscript and the cost of the registration fee with a link to the payment page.

**THE ORIGINAL TEXT SHARE MUST BE AT LEAST 75%. CHECK IS PERFORMED THROUGH ANTIPLAGIAT.VUZ SYSTEM.**

## **A sample article**

### **Article title Transformation of agriculture through digitalization, innovative solutions and information technologies**

Vaganova O.V., Solovjeva N.E., Aulov Y.L., Prokopova L.I.

Full name of the organization in the nominative case, Country, City  
Belgorod State National Research University, Belgorod, Russia

### **Abstract**
